Hazardous Chemicals in the Workplace?

You as a public employee have the right, under the Wisconsin public employees' right-to-know law, to be informed about hazardous chemicals and substances in the workplace. *

EMPLOYEES MUST BE PROVIDED WITH:

- A list of all hazardous chemicals and information on toxic substances, pesticides, and infectious agents in the workplace.
- Access to Material Safety Data Sheets and container labels.
- Formal training in proper procedures for managing hazardous chemicals.
- A written chemical hazard communication program.
