Reciprocity/Endorsement Not Available

Application by Reciprocity/Endorsement may be an option for a professional who holds a license in another state or jurisdiction. Reciprocity/Endorsement applications require a detailed comparison of the originating state's licensure requirements (or permissible services for cosmetology-related licenses) to Wisconsin's requirements. Below you will find a list of out-of-state licenses for which the Department or applicable regulatory board has determined reciprocity or endorsement is not available. If you are seeking reciprocity/endorsement for a license/state listed below, your application for reciprocity/endorsement will be denied. You may, however, apply via a different method (e.g., exam).

PLEASE NOTE: Just because a license/state is not listed below does not mean an application by reciprocity or endorsement will be granted. It may indicate a comparison of the originating state's licensure requirements to Wisconsin's requirements may not yet have been completed.
