

COMPARISON OF PHYSICIAN ASSISTANTS AND NURSE PRACTITIONERS

CATEGORY	PHYSICIAN ASSISTANT	NURSE PRACTITIONER
<u>Definition</u>	Health care professionals licensed to practice medical care with physician supervision.	Registered nurses with advanced education and training in a clinical specialty who can perform delegated medical acts with physician supervision.
<u>Philosophy/Model</u>	Medical/physician model , disease centered, with emphasis on the biological/pathologic aspects of health, assessment, diagnosis, treatment. Practice model is a team approach relationship with physicians.	Medical/Nursing model , Biopsychosocial centered, with emphasis on disease adaptation, health promotion, wellness, and prevention. Practice model is a collaborative relationship with physicians.
<u>Education</u>	Affiliated with Medical schools Previous health care experience required; most programs require B.S. and confer Masters degree. Program curriculum is advanced science based. Approx. 1000 didactic and over 2000 clinical hours . All PAs are trained as generalists in the primary care model and some receive post-graduate specialty training. Procedure and skill oriented with emphasis on diagnosis, treatment, surgical skills, and patient education.	Affiliated with Nursing schools BSN is prerequisite; curriculum is biopsychosocial based, based upon behavioral, natural, and humanistic sciences. NPs choose a specialty-training track in adult, acute care, pediatric, women's health or gerontology. Approx. 500 didactic hours and 500-700 clinical hours . Emphasis on patient education, diagnosis, treatment and prevention. Generally not trained for surgical settings. Master's conferred.
<u>Certification/Licensure</u> <u>Recertification</u>	Separate but single accreditation and certification bodies require successful completion of an accredited program and NCCPA national certification exam. NCCPA certification is the gold standard and is required to obtain a PA license in Wisconsin. (Chapter Med 8) Recertification requires 100 hours of CME every 2 years and exam every 6 years. Recertification is comparable to family physicians. All PAs are licensed by their State Medical Board and the Medical Practice Act provisions.	Nursing accreditation and multiple nursing certification agencies. Master's Degree required to sit for exam; national certification is voluntary . An optional certificate (APNP) and a written collaborative agreement with a physician are required for prescribing. (Chapter N 8) Recertification requires 1500 direct patient contact hours and 75 CEUs every 5-6 years. No exam is required. NP's practice under their basic RN license under the Nurse Practice Act
<u>Scope of Practice</u>	The supervising physician has relatively broad discretion in delegating medical tasks within his/her scope of practice to the PA in accordance with state regulations. Written guidelines are required for prescriptions. Does not require on-site supervision Chapter Med 8 in WI Administrative Code	Nursing care is provided as an independent function. However, protocols or written or verbal orders are required for delegated medical acts - such acts require general MD supervision. Sec. N6.03(2), WI Administrative Code
<u>Third Party Coverage and Reimbursement</u>	PAs are eligible for certification as Medicaid and Medicare providers, and generally receive favorable reimbursement from commercial payers.	NP's are eligible for certification as Medicaid and Medicare providers, and generally receive favorable reimbursement from commercial payers.

Curriculum Overview

Year I - Didactic Year

	Credits
Summer I	
Anatomy 429 - Human Anatomy Laboratory	5
Pa 550 - Fundamentals Of Clinical Medicine	3
Pa 616 - Professional Seminar I	1
Pa 619 - History & Physical Examination For Pas	4
Total Credits	13
Fall I	
Mm&I 504 - Infectious Disease Of Human Beings	3
Pa 601 - Clinical Medicine I (Psych/Neuro/Heme/Onc/Endo/Ophth/Ent/Derm)	5
Pa 610 - Clinical Prevention And Community Practice I	1
Pa 617 - Professional Seminar II	1
Pa 620 - Advanced Patient Evaluation In The Primary Care Setting I	1
Pa 630 - Women's Health	2
Pa 640 - Clinical Pharmacology I	2
Pa 650 - Diagnostic Methods I: ECG And Laboratory Medicine	2
Total Credits	17
Spring I	
Pa 602 - Clinical Medicine II (Card/Pulm/Neph/Uro/Gi/Rheum/Geri/Fam Med)	6
Pa 603 - Pediatrics	2
Pa 611 - Clinical Prevention And Community Practice II	1
Pa 618 - Professional Seminar III	1
Pa 621 - Advanced Patient Evaluation In The Primary Care Setting II	1
Pa 641 - Clinical Pharmacology II	2
Pa 648 - Emergency Medicine	2
Pa 651 - Diagnostic Methods II: Heart Sounds; Radiology; Lab Medicine	2

Year II - Clinical Year

Summer II	Credits
Pa 670 - Fundamentals Of Surgery	1
Pa 716 - Professional Seminar IV	1
Pa 729-769 Preceptorships* (<i>as assigned</i>)	8
Total Credits	10
Fall & Spring II	
Pa 717 - Professional Seminar & Capstone I (Fall)	1
Pa 729-769 Preceptorships* (<i>Assigned 2 Rotations For Fall</i>)	16
Pa 718 - Professional Seminar & Capstone II (Spring)	1
Pa 729-769 Preceptorships* (<i>Assigned 2 Rotations For Spring</i>)	16
Total Credits	34

** Preceptorships Are Intensive Clinical Learning Experiences Under Direction Of Licensed Health Care Professionals At A Variety Of Off-Campus Clinical Settings.*

- 729 Clinical Preceptorship: Surgery
- 739 Clinical Preceptorship: Family Medicine
- 749 Clinical Preceptorship: Internal Medicine
- 759 Clinical Preceptorship: Emergency Medicine
- 769 Clinical Preceptorship: Elective
