

USE OF DERMAL FILLERS AND BOTOX

At the January 4, 2012 meeting of the Dentistry Examining Board the following policy position was adopted:

The use of dermal fillers and botox by a licensed dentist in the state of Wisconsin is allowable for functional, therapeutic, and aesthetic treatment purposes in accordance with the practice of dentistry as defined in s. 447.01 of the Wisconsin Statutes. It is expected that dentists will obtain appropriate training to be able to perform such services competently. Such training shall be provided by organizations or institutions recognized to provide continuing education courses in accordance with s. 447.056 of the Wisconsin Statutes.
