INFORMATION REGARDING THE CREMATORY AUTHORITY APPLICATION

The completed application and fee must be submitted at least two weeks prior to your anticipated opening date. The information provided will be evaluated to determine whether all statutory and rule requirements have been met. Applications with insufficient information will be returned for completion without processing which may delay the issuance of the license. Initial licenses are in effect from the date of issuance until the next renewal date (January 1 of each even-numbered year).

The Department recommends that the license be displayed at the crematory.
