

Continuing Education Requirements for Delegated Medical Procedures

Continuing Education (CE) is required for licensees providing the following delegated medical procedures for each renewal period:

- Laser Hair Removal – At least 6 hours in programs specific to laser hair removal.
- Microdermabrasion – At least 6 hours in programs specific to microdermabrasion.
- Chemical Exfoliation – At least 6 hours in programs specific to chemical exfoliation.

See **Wis. Admin. Code. ch. BC 2.025** for more details on the continuing education requirements if you perform these delegated medical procedures.
