

**Approved Chiropractic Radiological Technician Continuing Education Courses**

Current Biennium Renewal Period: December 15,2010 – December 14, 2012

12 hours of approved continuing education (CE) must be completed in each biennium renewal period. Approved courses taken in the current biennium to satisfy the requirements of a previous biennium, may not be applied to any other renewal period. All courses must be pre-approved by the Chiropractic Examining Board.

NOTE: A Chiropractic Radiological Technician (CRT) who receives an initial certificate during a licensing biennium is not required to complete the continuing education requirement from the date of that certificate to the end of that licensing biennium.

**This is a list of approved CE courses ONLY, unless specifically noted.**
