#2736 (Rev. 9/11)

Ch. 450, Stats.

Wisconsin Department of Safety and Professional Services

Section 450.06(3), Stats., requires that a new pharmacy license be obtained following a change of ownership.¹ The following chart sets forth when a change of ownership is deemed to have occurred or not occurred. Following the issuance of a new license, that new licensee must also renew that new license at the next required renewal date, regardless of when that new license was issued.

OWNER	TRANSACTION	CHANGE OF OWNERSHIP?
Individual	Sells pharmacy to another	YES
Individual	“Incorporates” him or herself and there are no other shareholders	NO [only a change in business <u>form</u> of owner]
Individual	Incorporates and adds shareholders other than self, or goes into partnership with other(s)	YES
Partnership	Sells pharmacy to another	YES
Partnership	Members of partnership change <u>and</u> dissolves; e.g., individual(s) leaves	YES
Partnership	Members of partnership change, but partners vote not to dissolve unanimously or by partnership agreement	NO
Partnership	Partnership decides to incorporate itself	NO [again, only a change business <u>form</u> —as long as no shareholders added who were not partners before]
Corporation ²	Change in shareholders (including sale of all stock)	NO [Corporation owns pharmacy—not shareholders]
Corporation	Sells all assets (as opposed to stock)	YES [One asset being sold is pharmacy; corporation no longer owns it after asset sale]
Corporation	Becomes a subsidiary or division of another corporation	NO [Corporation still owns pharmacy, regardless of who owns corporation]
Corporation	Merges into/or consolidates with another corporation <u>and</u> loses corporate “identity”	YES

¹ §450.06(3), Stats., provides in relevant part as follows:

No pharmacy may be opened or kept open for practice following a change of ownership . . . unless the pharmacy is licensed for the new owner . . . notwithstanding any remaining period of validity under the pharmacy’s license under the previous owner . . .

² Limited Liability Companies created under Ch. 183, Stats., are the same as Corporations for change of ownership.
