I was wondering the owner's intent for the pump house..... Is the pump house operated and maintained in a way that the excavation would be situated around and not through the pump house?

A: THIS AST SITE IS NO LONGER ACTIVE. ACCORDING TO THE SITE MANAGER, THE PUMP HOUSE WILL BE REMOVED/RAZED PRIOR TO EXCAVATION ACTIVITIES, OR CAN BE REMOVED/RAZED DURING EXCAVATION ACTIVITIES.

What is the construction of the pump house?

A: ACCORDING TO THE SITE MANAGER, THE PUMP HOUSE IS STEEL FRAME WITH CORRUGATED STEEL SIDING. THIS WAS NOT CONFIRMED BY SITE VISIT.

Is it just on a concrete slab or is there an actual foundation?

A: ACCORDING TO THE SITE MANAGER, THE PUMP HOUSE SITS ON A CONCRETE SLAB ON GRADE. THIS WAS NOT CONFIRMED BY SITE VISIT.
