Assumptions Used in Arriving at Fiscal Estimate

2009 Wisconsin Act 12, s. 101.123, Stats., which is to take effect on July 5, 2010, basically prohibits smoking in enclosed places of public buildings and places of employment. The Act directs the department to establish characteristics for no smoking signs which persons in charge are to utilize aboard public conveyances and in public buildings and places of employment. The department does not believe that the proposed rules will increase the effect on small businesses over that imposed by the Act.

Long-Range Fiscal Implications

No long-range fiscal implications are anticipated.
