

QUESTIONS & ANSWERS
For Public Bidding of
CLARK OIL #1602 / 53143-4684-10

1. Has any claim been filed?

Answer: No.

2. If claim (s) is/are filed, is it possible to divide the site investigation and remedial costs?

Answer: No claim has been filed to date.

3. The bid is not a cost to closure. However, Section 2 B (1) requires to identify the remedial strategy for site closure.

Answer: This bid is not for a cost to closure. Please identify the remedial strategy for complying with Section 2 A (3)(a).

4. Does # 1-1, 3' denote sample #, sample location, and depth, respectively?

Answer: #1-1 indicates sample location number, 3' indicates depth of sample collection.

5. Where are sample locations # 11, 12, and 13 on Figure 3?

Answer: After review of the file, the Department does not find where these samples were collected. However, it appears that these soil samples were collected from the soils prior to the removal of the old tank system and that these soils were removed and disposed of at a landfill.
