Ecometrica			\$59,815.00	NA

* Total cost was clarified with consultant. Original bid provided a separate line item for the cost of disposing of existing soil stockpile (\$2,900.00), as requested, but amount was not included in the "Total Bid Cost" (\$33,210.00) as it should have been. DNR and Commerce requested that the consultant clarify in a written statement that the "Total Bid Cost" is \$36,110.00, not \$33,210.00. The \$36,110.00 total bid cost is still the lowest compliant bid received.
