Who is the lender?

Current lender is the State Bank of Chilton. However, lender is for previous worksopes. It is not know who the lender will be for this particular workscope.

Will the Department provide the previous maps and tables on a disc to the hired successful bidder?

The maps and data can be accessed at the copy shop listed on the bid.

This project was included in round # 21. The bid required the removal and replacement of eastern wall and removal of canopy. All bidders were invited to submit a second remedial option and cost. An alternative bid without removal of wall and canopy was submitted. How may alternative bids were received? Were the alternative bid (s) reviewed? If alternative bids were not reviewed, will these bids be made public?

This is a new bid and the only option acceptable for site remediation at this time. The previous bid was voided by Commerce and the DNR and has absolutely no impact on the present bid.
