

Questions & Answers  
Tom's Shell Service-Madison  
Commerce Number 53704-2023-23A  
BRRTs Number 03-13-002439

Should the bid include a cost for the City of Madison access fees to the off-site monitoring wells?

Yes, the bid should include the cost of the fees for access to the wells.

Does lead need to be analyzed in the groundwater samples from the monitoring wells?

No, the last sampling rounds that were taken showed the results for lead analyses to be below the NR 140 preventative action limit.
