Please note:

An incorrect bid specification was posted on the PECFA bid web site on December 15, 2003. Inadvertently, a portion of text from another site was inserted into the bid specification. A corrected version of the bid specification was posted on the web site on December 18, 2003. Bidders should provide a brief statement in their bid responses acknowledging that the bid specification used for their bid was the correct version available beginning December 18, 2003. Such a statement will be required from the lowest cost bidder before the bid is determined to be compliant.
