Secretary Ross Announces Key Division Administrator Appointments

Department of Safety and Professional Services (DPS) Secretary Dave Ross released the following statement:

“As part of the reorganization of the Department of Safety and Professional Services (DPS), it is my pleasure to announce the appointment of Mr. Bill Wendle as the Administrator of the Division of Safety and Buildings (S&B) and Mr. Tom Nardelli as the Administrator of the Division of Environmental and Regulatory Services (ERS).

Mr. Wendle brings a deep resume of business and industry experience most notably as the former Executive Vice President of the Wisconsin Builders Association. Mr. Nardelli brings extensive business, military, and government experience, including serving as Chief of Staff for Wisconsin Governor Scott Walker when Walker was Milwaukee County Executive. Tom most recently served as Administrator of the Division of Safety and Buildings.

I look forward to working with our two new division leaders and everyone else in our newly reformed agency to protect the public, better serve our customers and grow Wisconsin’s economy.”
