Application and Exam Fee (nonrefundable): \$35.00 class code 7636

Make checks payable to: State of WI – DPS. The fee consists of a \$20 application fee and an exam fee of \$15. When the exam is passed, the applicant will be asked to pay a \$50 credential fee. The credential, which will be issued after the exam is passed and the prorated credential fee paid, will be effective for 2 years from the date of issuance.

Reason for Credential: No person may install an aboveground tank system which is to hold flammable or combustible liquids unless the person holds a credential issued by the department as a certified aboveground tank system installer or the person is under the direct supervision of another person who holds a credential issued by the department as a certified aboveground tank installer.

Requirements of Credential: A person who installs or supervises the installation of tank systems as a certified aboveground tank system installer shall be present at the job site for at least all of the following activities:

- Preinstallation tank system testing.
- Inspection and repair of coatings.
- Placement of tanks.
- Installation and testing of all connections and tank-related piping including vapor recovery, vents and supply pipes.
- Installation of monitoring devices.
- Installation of pumps and dispensers.

A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Examination: In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover:

Aboveground Tank Installer:

- ❖ SPS 310 – Flammable, Combustible and Hazardous Liquids Code
- ❖ SPS 305 – License, Certification and Registration
- ❖ NFPA 30 – Flammable and Combustible Liquids Code
- ❖ NFPA 30A – Code for Motor Fuel Dispensing Facilities and Repair Garages
- ❖ PEI 200 – Recommended Practices for Installation of Aboveground Storage Systems for Motor Vehicle Fueling

The exam is open book. Copies of current code books may be obtained from Document Sales @ (608) 266-3358 or @ (800) 362-7253. Copies of NFPA standards are available from the National Fire Protection Association @ (800) 344-3555. Copies of PEI standards are available from the Petroleum Equipment Institute at (918) 494-9696.

To Schedule a 2012 exam:

- Choose a **city** and **time** and put a check mark behind the date you would like to take the exam.
- Indicate **FIRST CHOICE (1)** and **SECOND CHOICE (2)** in the event one exam site is filled.
- Submit the **fee and this application to the division at least 30 days in advance of the exam date chosen**. Keep a copy of this application for your records. You are only allowed to schedule one exam session at a time for each credential type. Applications sent in for multiple exam sites into the future will be denied and a refund will not be issued.
- You will receive a letter from DSPS when division staff processes your exam request.
- If you need special accommodations, please contact us at (608) 261-8467 or DSOSSBCredentialing@wi.gov

Education Hours Required to Renew: The renewal of a certification as an aboveground tank system installer shall be contingent upon the installer obtaining at least 12 hours of acceptable continuing education at least three months prior to the expiration date of their credential. A person who holds a certification as an aboveground tank system installer may apply to the department for waiver of the continuing education requirements on the

grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.
