

Entrants sought for concrete design awards

The Wisconsin Ready Mixed Concrete Association is seeking entries to the 30th annual Concrete Design Awards.

The awards showcase best uses of ready-mixed concrete in Wisconsin and Michigan's Upper Peninsula. The program recognizes excellence in the ready-mixed concrete industry in the following categories: agricultural, commercial, decorative, education, health care and public, environmental management, ICF commercial, ICF residential, industrial, municipal facilities, municipal/infrastructure, parking lot, pervious, residential, site cast tilt-up and other projects.

Projects completed in 2007-09 are eligible. The deadline to enter is Dec. 4, 2009. For information, contact Cherish Schwenn at 800-242-6298 or cschwenn@wrmca.com.
