Vendor's Night - Wednesday Vendors in Vegas

"Vendor's in Vegas" Night (Scholarship Foundation Fundraiser)
 "Vendors in Vegas" Night is a special entertainment event that will benefit the Wisconsin Fire Inspectors Scholarship Foundation.
 This event brings Vegas style gaming and entertainment to our already popular vendors night.

Conference attendees who make a minimum \$25.00 donation will be given \$2000.00 in "funny money" to play the gaming tables of their choice. At the evenings end, any funny money the dealers have not skillfully removed from your pockets can be cashed in for raffle tickets to the vendor night giveaways. Raffle tickets will be available for purchase separately for those who do not wish to partake in the evening's entertainment. Please bring family and friends to join us in the food, fun and festivities to benefit the Scholarship Program. *Anyone interested in sponsoring a table or volunteering to be a table dealer please contact*

Banquet - Thursday Hawaiian Theme – Award for best Hawaiian Attire

Enjoy the music and dance of the South Pacific.

Dances of the South Pacific have meaning beyond words and are a along the stories and legends of their culture to subsequent generations. Whether the dances describe ancient warriors and goddesses or everyday life on the islands, each dance describes a story about the culture of the people from around the South Pacific. Traditionally, the dances were conceived to thank the gods who aided the islanders, to celebrate good fortune, and to pay respect to the various chiefs.
