

**SAFETY & BUILDINGS DIVISION
LA CROSSE AREA OFFICE
19 YEARS OF SERVICE
1989 – 2008**

April 28, 2008

Dear Friends:

In Spring 1989, the La Crosse Area Office of the State of Wisconsin - Safety & Buildings Division was established in a vacant insurance office on Rose Street. With the opening of this office, a new, responsive, cost-effective service for the people of West Central Wisconsin became available. Building, Plumbing & POWTS Plans could now be reviewed within a convenient distance from most areas of this part of the state, rather than the time and expense involved in submitting to Madison. Since that time, both our staff and size of our offices have more than doubled in size, thanks to the loyal support of our valued customers.

We recognize that you have played a most vital role in our growth and success over the years. We have now moved to a new larger, more efficient facility in Holmen and would like to celebrate the partnership – Past, Present, and Future – that has been forged between the Safety & Buildings and the Design & Construction community throughout our area.

Please join us as we Celebrate the Opening of our new Facility and our almost 20 years of service to the industry with an Open House:

DATE: Thursday, May 15, 2008
TIME: 10:00 a.m. – 3:00 p.m.
LOCATION: Safety & Buildings Division Office
3624N Creekside Ln
Holmen, WI 54636 (Map on back of Sheet)

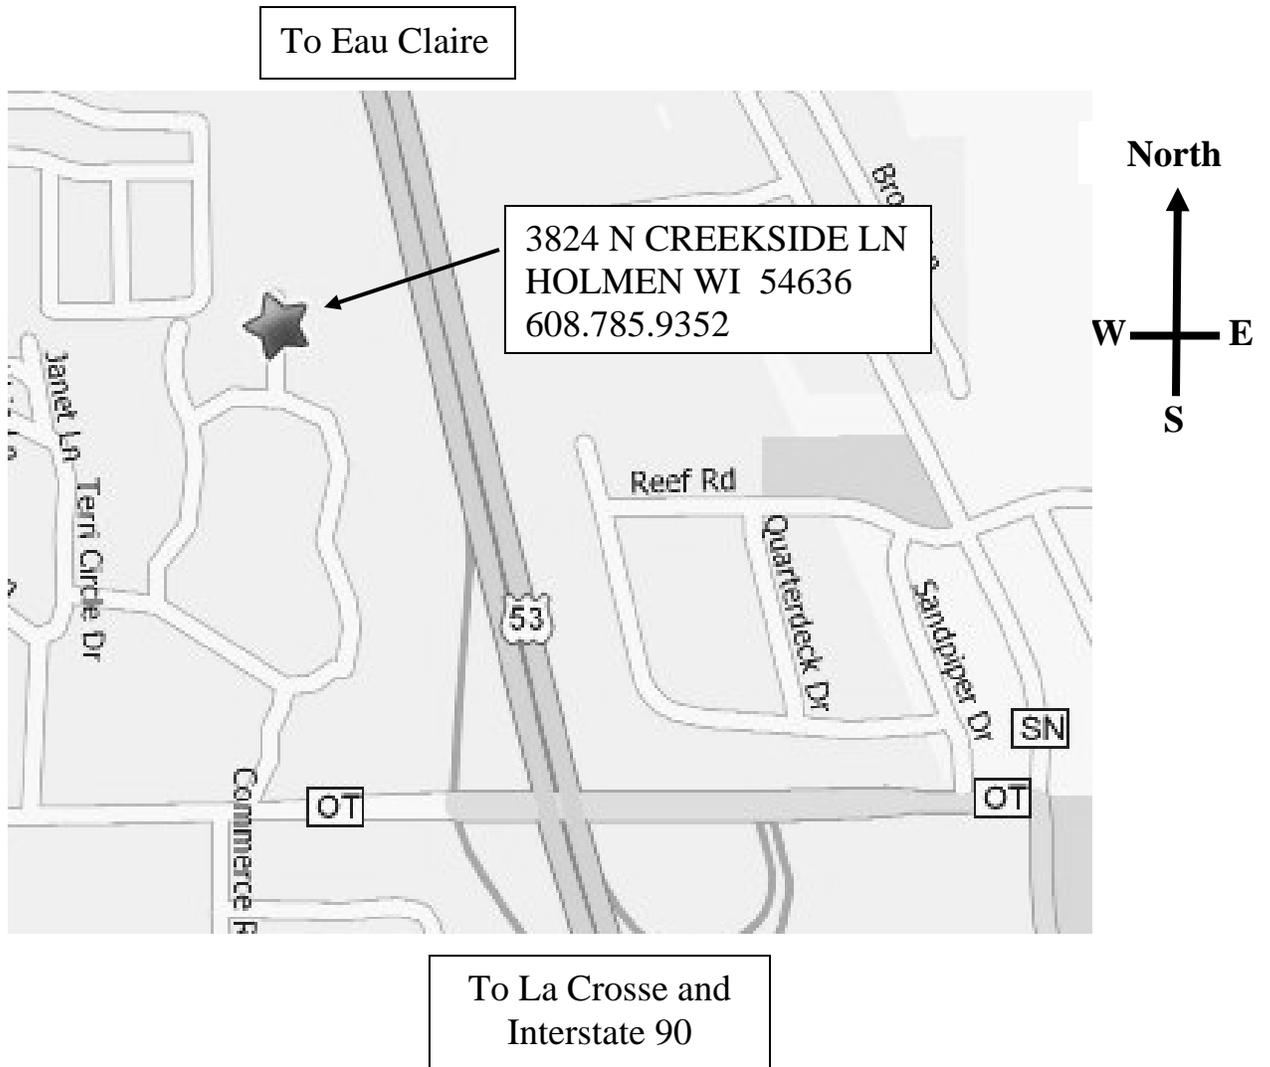

-- Appetizers and Refreshments will be served --

We look forward to this opportunity to personally thank you for your positive contributions to the growth and success of the La Crosse Area Regional Office and hope you can join us.

Sincerely,

A handwritten signature in cursive script that reads "Greg Jones".

Greg Jones
Division Administrator
Safety & Buildings Division

The new office is located off Hwy 53 at the intersection of County Hwy OT (“Midway” exit) about four miles north of Interstate 90. Turn north at the McDonalds and follow Circle Dr around to Creekside Ln.
