

The La Crosse Area Safety & Buildings Office Is Moving

Effective February 1, the **La Crosse area office** of the Safety and Buildings Division is moving to a new location: **3824 N Creekside Lane, Holmen, WI 54636.**

The new office is located off Hwy 53 at the intersection of County Hwy OT about four miles north of Interstate 90. Turn north at the McDonalds and follow Circle Dr around to Creekside Ln. Staff telephone numbers will remain the same.

Plans calls for the current office to close on Feb. 1. After that date, mailed plans should go to the new address. Dropped-off plans will be accepted at the old office Feb. 4-8. The new office will completely open for business on Monday, Feb. 11, although staff will be there Feb. 4-8 to accept dropped off materials.

During the period of the move (February 1 – February 11), there will be times when the division's computer system and phone service will be unavailable. Staff will respond to email messages and voicemails as soon as possible. If the matter is urgent, please call Jeannie Dixon at the S&B Hayward Office, 715-634-4870.

If you have any questions, please feel free to give me a call
