Application and Exam Fee (nonrefundable): \$75.00 class code 7630
 Make checks payable to: State of WI - DSPTS. The fee consists of a \$25 application fee and an exam fee of \$50. When the exam is passed, the applicant will pay a \$400 credential fee, prorated because the credential expires on a specific date. The credential, which will be issued after the exam is passed and the prorated credential fee paid, will be effective for four years from June 30th.

Reason for Credential: Pursuant to ss. 145.15 (4), 145.165 and 145.175, Stats., no person may install, maintain or repair automatic fire sprinkler systems unless the persons holds a credential issued by the department as a licensed automatic fire sprinkler contractor, a licensed journeyman sprinkler fitter, a registered automatic fire sprinkler system apprentice, a registered automatic fire sprinkler contractor-maintenance, or a registered automatic fire sprinkler fitter-maintenance. No credential is required if a person is repairing, replacing or maintaining electrical supervisory devices for existing automatic fire sprinkler systems.

No person may conduct the annual inspection and testing of an existing automatic fire sprinkler system and components as required by Comm 14 unless the person holds a credential issued by the department as a licensed automatic fire sprinkler contractor, a licensed journeyman sprinkler fitter, a registered automatic fire sprinkler system apprentice, a registered automatic fire sprinkler contractor-maintenance, a registered automatic fire sprinkler fitter-maintenance or a registered automatic fire sprinkler system tester.

Requirements of Credential: Pursuant to s. 145.175, Stats., the activities under SPS 305.50 that may be undertaken by a person who holds a credential as a registered automatic fire sprinkler contractor-maintenance shall be:

- Performed only within the facilities or properties of the business establishment where the person is employed; and
- Limited to modifying or extending an existing automatic fire sprinkler system by no more than 15 sprinklers per project.

A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Examination: In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover information contained in SPS 305 and 382.41; and NFPA standards 13 (2007 edition), 13R (2007 edition), 14, 15 (2007 editions), 20 (2007 edition), 22, and 25 (2008 edition) of the National Fire Protection Association; and Friction Loss Tables; 2009 IBC and SPS 361-365. The exam is open book. Copies of Wisconsin administrative codes may be obtained from Document Sales, 608-266-3358 or 800-362-7253. NFPA standards may be ordered from the National Fire Protection Association, 800-344-3555. When there is a change to Wisconsin codes, exams will cover the new codes one month after the effective date.

Education Hours Required to Renew: The renewal of a license as an automatic fire sprinkler contractor-maintenance shall be contingent upon the person obtaining at least 12 hours of acceptable continuing education by March 31 of the year their credential expires. A person who holds a license as an automatic fire sprinkler contractor-maintenance may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

If you pass the exam to obtain this credential, you will not be required to take any continuing education prior to your first expiration date. You will be required to fulfill the continuing education requirements starting after you have renewed your credential for the first time. If you obtain this credential by any other method, you will be required to fulfill the continuing education requirements at least three months prior to your expiration date.
