- Provide a copy of the inspection report to the property owner or his or her agent; and
- Make available to the department upon request his or her inspection records.
- A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Education Hours Required to Renew: The renewal of a credential as a certified commercial electrical inspector
 SBD-10220 (R11/11)

For each semester in a school of electrical engineering or an electrical-related program, specify the beginning and ending date of the semester, record 500 hours of experience, write the name of the school, and **Attach** a copy of the official transcripts from the school to this form. No experience hours should be recorded if official transcripts are unavailable.

Time Period		Experience Hours	Name of School
Began Month/Yr	Ended Month/Yr		

In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover SPS 305 and SPS 316, Wisconsin Administrative Code; and the 2008 National Electrical Code (NEC). Copies of current Wisconsin Administrative Codes may be obtained from Document Sales, 608-266-3358 or 800-362-7253. Copies of current National Electrical Codes may be purchased from the National Fire Protection Association, 800-344-3555.

When there is a change to Wisconsin Administrative Codes, exams will cover the new code one month after the effective date. Current code development projects can be viewed here: <http://dsps.wi.gov/SB/SB-CodeDevelopment.html>
