Reason for Credential: A person who holds a credential issued by the department as a licensed elevator inspector may administer and enforce the provisions of SPS 318 as an authorized representative of the department or a municipality.

Requirements of Credential: A person who inspects elevators as a certified elevator inspector shall

- Maintain a record of the inspections made including the dates and the findings of the inspections;
- Provide a copy of the inspection record to the elevator owner or his or her agent; and
- Make available to the department upon request inspection records.
- Maintain his or her ASME QEI-1 certification.

Qualifications for Credential: A person applying for the elevator inspector credential shall submit evidence that the person holds a certification as an American Society of Mechanical Engineers (ASME) for the Qualification of Elevator Inspector (QEI-1).

Attach to this form a photocopy of your current ASME QEI-1 elevator inspector certificate.

Education Hours Required to Renew: The renewal of a certification as an elevator inspector shall be contingent upon obtaining at least 24 hours of acceptable continuing education three months prior to the expiration date of their credential, which is four years after the start date of your credential.
