Method 2 - Completing the Necessary Hours of Experience and Examination

Application and Exam Fee (nonrefundable): \$65.00 class code 8260

Make checks payable to: State of WI – DSPTS. The fee consists of a \$15 application fee and an exam fee of \$50. When the exam is passed, the applicant will be asked to pay a \$90 credential fee to obtain the credential.

A person applying for an elevator mechanic license examination shall have been employed continuously for at least 1,000 hours per year for three years preceding the date of license application and the employment includes work performed at a Journeyman level.

If the experience you gained spanned more than 12 consecutive months use a separate row for each 12-month period. The time-period must be consecutive years from one row to the next. In the Time Period column fill in the beginning month and year and the ending month and year in which the experience hours were completed. In the Experience Hours column fill in the number of hours claimed for that time period but do not record more than 1000 hours in the column even if you worked more than 1000 hours.

If the hours were witnessed by more than one person, the hours witnessed by each person must be completed on separate rows. Photocopies of this page may be made if you need additional room or would like to mail to witnesses to sign. The witness must have observed or had knowledge of the number for work hours in journeyman level work.
