Credential Fee (nonrefundable): \$35.00

class code 8258

Make checks payable to: State of WI – DSPS. The fee consists of a \$15 application fee and a certification fee of \$20. The credential will be effective for 4 years from the date of issuance.

Reason for Credential: Pursuant to s. 101.177 (4) (a), Stats., no person may install or service a piece of refrigeration equipment that would release or may release an ozone-depleting refrigerant unless the person holds a credential issued by the department as a certified refrigerant handling technician. A person who uses ozone-deleting refrigerant transfer, recovery or recycling equipment as a certified refrigerant handling technician shall use approved refrigerant recycling equipment or approved refrigerant reclaiming equipment when servicing a piece of refrigeration equipment that contains ozone-depleting refrigerant.

Requirements of Credential: A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

Qualifications for Credential: A person applying for a refrigerant handling technician certification shall hold a Type I, II, III or Universal credential issued in accordance with section 608 of the federal Clean Air Act and title 40 CFR part 82, Subpart F.

Attach a photocopy of the Federal EPA credential issued per 40 CFR part 82, Subpart F to this application form.

If you do not have a credential issued per 40 CFR part 82.161, Subpart F, and live in Wisconsin contact one of the following for dates, times and fees for obtaining the credential issued per 40 CFR part 82, Subpart F:
