Application and Exam Fee (nonrefundable): \$40.00 class code 7630

Make checks payable to: State of WI – DSPS. The fee consists of a \$10 application fee and an exam fee of \$30. When the exam is passed, the applicant will be asked to pay a \$500 credential fee which will be prorated because the credential expires on a specific date. The credential, issued after the exam is passed and the prorated credential fee paid, is effective for 4 years from March 31st.

Reason for Credential: Except as provided under s. 145.06 (4) Stats., and pursuant to s. 145.06, Stats., no person may install plumbing unless the person holds a credential issued by the department as a licensed master plumber, licensed master plumber-restricted, licensed journeyman plumber, licensed journeyman plumber-restricted, registered plumbing apprentice, registered plumbing learner-restricted, registered utility contractor or registered pipe layer.

Requirements of Credential: The plumbing activities that may be undertaken by a person who holds a credential as a licensed utility contractor or registered pipe layer shall be limited to the installation or modification of water services, private water mains, sanitary building sewers, storm building sewers and private interceptor main sewers. A person who holds the credential shall carry it on his or her person while performing activities permitted under the credential. A person who, as a licensed utility contractor, installs or modifies water services, private water mains, sanitary building sewers, storm building sewers, or private interceptor main sewers shall utilize the appropriate credentialed persons to install or modify the plumbing.

Education Hours Required to Renew: The renewal of a license as a utility contractor shall be contingent upon the utility contractor obtaining at least 6 hours of acceptable continuing education three months prior to the expiration date of their credential. A person who holds a license as a utility contractor may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

Qualifications for Examination: The person applying for a utility contractor license examination shall be at least 18 years old.

Fill in the applicant’s birth date (month/day/year, example 04/02/60):

In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover information contained in chapters SPS 305 and SPS 381-387, Wisconsin Administrative Code; NFPA standard 24, 2002 edition, National Fire Protection Association. The exam is open code book. Copies of Wisconsin code books may be obtained from Document Sales, (608)266-3358 or (800)362-7253. NFPA standard 24 entitled “Installation of Private Fire Service Mains and Their Appurtenances” is available from the National Fire Protection Association, (800)344-3555. Questions regarding private fire service mains may be included on the exam because utility contractors are allowed to install combined service mains (plumbing/fire protection). When there is a change to Wisconsin Administrative Codes, exams will cover the new code one month after the effective date.

Additional training materials relating to this credential are available and may also be ordered through Document Sales, (608)266-3358 or (800)362-7253. They are intended to be training guides and may not match the current code.
