
Municipal UDC Enforcement Statuses and Contacts

There is statewide Uniform Dwelling Code (UDC) enforcement. This list (in alphabetical county order) provides the current UDC enforcement status for municipalities per the following codes:

- Enforcement in Town, Village or City by: S - State Division of Safety and Buildings Division (SBD); SC - State-Contracted Inspection Agency; C - County UDC Enforcement (see county entry for contact information); M - Municipality Enforcement;
- Single-Letter County Code: Y - UDC Enforcement by County; N - No County Enforcement

(Note that this list is subject to change as municipalities adopt or rescind municipal enforcement ordinances.)

If a State Inspection Agency or the WI Division of Safety of Buildings (SBD) is listed, then you only need to contact them for new dwellings only - not for alterations and additions. The inspection agency permit fees are listed per the following:

- Fee 1 - Base price of permit for one- or two-family dwellings up to 800 square feet finished interior area, including finished basements, but not including garages, unfinished basements, breezeways, porches or decks. The fee for a duplex dwelling shall be calculated as for a single-family dwelling.
- Fee 2 - Cost per square foot beyond 800 square feet of finished interior area
- Fee 3 - Cost per square foot of non-finished areas including garages, breezeways, porches and decks and unfinished basements. (A finished basement has a finished ceiling.)
- Fee 4 - Any required inspection trips in excess of 8

In addition, the following fees are also applicable in state-contracted inspection agency or SBD areas:

- Permit applicants will also be charged an additional \$30 for the Wisconsin UDC Permit Seal.
- Fees for factory-built homes shall be the base fee for any closed-panel manufactured areas and full fee for site-built areas, except that fees for the factory-built portion on slabs shall be 1/2 of the 800 square foot base fee in SC areas or 2/3 of the base fee in SBD-enforced areas.
- Fees for dwellings with neither plumbing nor electrical systems shall be 2/3 of the normal fee.
- Fees for dwellings started prior to the earlier of permit issuance or prior to ten business days after permit application and no review action has taken place shall be an additional 50% of the normal fee.
- Fees for any separate footing and foundation approval shall be \$50.

Contact the Wisconsin Division of Safety of Buildings for update information at our website, www.commerce.wi.gov/sb or tel. (608)789-5656.
