Re: Description: SEWAGE TANKS, POLYETHYLENE
Manufacturer: T.S.F. COMPANY, INC.
Product Name: HOLDING TANK
Model Number(s): 105
Product File No: 20050598

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of July 2010.

This approval is contingent upon compliance with the following stipulation(s):

- This product may only receive waste from recreational vehicles.
- The joints between the tank cover and the inlets and outlet fittings must be made airtight.
- This product may only be used as a POWTS holding component in campgrounds permitted by the Department of Health and Family Services under ch. HFS 178.
- When this tank is installed to receive wastewater from only recreational vehicles, the tank must be installed by either a licensed plumber or a holder of a servicing license issued pursuant to s. 146.20, Wis. Stats., and ch. NR 113, Wis. Admin. Code. All servicing and disposal of the contents from these tanks must be in accord with s. 146.20, Wis. Stats., and ch. NR 113, Wis. Admin. Code.

This approval supersedes the approval issued on July 21, 2005, under product file number 20050598.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20050598.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Michael J. Beckwith, CIPE
