The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. Comm 82.30 & 82.31 based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of **April 2011**.

This alternate approval is contingent upon compliance with the following stipulation(s):

- The entire system must be designed and installed in accordance with the 1997 copyright Design Manual No. 1001/o Sovent Single Stack DWV requirements and recommendations.
- Written approval for the plumbing plans shall be obtained from the department for each installation of this system. If the project is located within the city of Milwaukee, plans may be submitted to either the department or to the city of Milwaukee.

This approval supersedes the approval issued on July 29, 2005 under product file number 20050652.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20050652.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,
