WBI2024 1/2 CTS X 1/2 NPT DROP EAR ELBOW

Product File No: 20060190

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. Comm 84.40 (6), (8) and (12) based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of September 2014.

This alternate approval is contingent upon compliance with the following stipulation(s):

- This product may be installed for the following use(s)
 - a. Water distribution piping aboveground
 - b. Water distribution piping belowground
 - c. Water service pipe
- Approval is issued for this product because the design of the product meets the intent of s. Comm 84.40 (8), Wis. Adm. Code that requires mechanical compression type joints for water supply which use flexible elastomeric seals to be suitable for potable water. The intent of the code is met since this product provides an acceptable elastomeric seal.
- This product may be used to joints in COPPER, CPVC, or PEX piping systems.
- The fittings must be labeled with the manufacturer's name or trade mark and fitting size.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.
