Re: Description: POWTS COMPONENT MANUAL
Manufacturer: INFILTRATOR® SYSTEMS INC.
Product Name: EZFLOW MOUND COMPONENT MANUAL
Model Number(s): ver. August 20, 2007
Product File No: 20090365

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of DECEMBER 2012.**

This approval is contingent upon compliance with the following stipulation(s):

- Approval of this POWTS Component Manual is for recognition for designs of systems that are covered by this manual. Systems that are designed, installed and maintained in accordance with this manual will provide treatment and dispersal of domestic wastewater in conformance with s. Comm 83, Wis. Adm. Code.
- Copies of this Component Manual are available through the submitter/manufacturer, available on the COMMERCE webpage under POWTS COMPONENT MANUALS at:http://commerce.wi.gov/php/sb-ppalopp/prodcode_result.php/POWTSM/POWTS_COMPONENT_MANUAL, or as an attachment to this letter.
- **This manual does not address or include the installation of the following approved Infiltrator products:**
 - . EZflow EZ1201A & 1201P; EZ1203H-GEO.
 - . Smart-rock SR3-12H, SR3-12HP, SR1-12P, SR1-12A, and SR1-7A.
- **Revisions to this version of the COMPONENT MANUAL, during the approval period shall be submitted for review and approval with documentation having the most current version or revision date so noted.**
- **This manual may be used for specific POWTS designs when the models listed in Table 2b maintain current COMMERCE Plumbing Product approval.**
- Approval of this design manual does not constitute approval of individual POWTS designs based on this manual; site-specific designs shall be submitted to the appropriate governmental unit for review and approval prior to installation.
- Additional information is included as attachment(s) to this letter; see attachment A.

This approval supersedes the approval issued on 10/7/2008 under product file number 20080569.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20080569.
