The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. Comm 84.30 (2) based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of September 2015.

This alternate approval is contingent upon compliance with the following stipulation(s):

- This product may be installed for the following drain or vent use(s):
  - a. Sanitary sewer . . . . . gravity flow
  - b. Storm sewer . . . . . gravity flow
- This product must be installed in accordance with ASTM standard F 1216 - 93.

This approval supersedes the approval issued on February 15, 2005 under product file number 20050787.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20050787.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Jerry Thompson
