The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. Comm 83.25> based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of September 2016.**

This alternate approval is contingent upon compliance with the following stipulation(s):

- This tank must be designed to withstand the pressures to which it will be subjected.
- The manufacturer must keep at the manufacturing plant a set of plans and specifications bearing the department's stamp of approval. The plans and specifications must be open to inspection by an authorized representative of the department.
- This product is labeled with a sticker that contains the following information: CAPACITY IN GALLONS, along with other manufacturer's information.
- BEDDING AND BACKFILL: See attachment B, LP Underground Tank Installation Instructions, 2 pgs.
- Additional information is included as attachment(s) to this letter; see attachment A, B and C.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.
