The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. SPS 84.30 (4)(e)1 based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of December 2016.

This approval supersedes the approval issued on August 24, 2006 under product file number 20060317.

This alternate approval is contingent upon compliance with the following stipulation(s):

- The fittings that conform to ASTM F 439 shall be labeled with manufacturer's name or trade mark, material designation CPVC for CPVC 23447 and CPVC 42 for CPVC 23448, the seal or mark of the laboratory making the evaluation for potable water contact, size, and this designation "F 439," with which the fitting complies.

Where the size of the fitting does not allow complete marking, omit identification marking in the following sequence: size, material designation, F 439, and the manufacturer's name or trademark.

- The fittings that conform to ASTM F 437 shall be labeled with manufacturer's name or trade mark, material designation CPVC for CPVC 23447, the seal or mark of the laboratory making the evaluation for potable water contact, size, and this designation "F 437," with which the fitting complies.

Where the size of the fitting does not allow complete marking, omit identification marking in the following sequence: size, material designation, F 437, and the manufacturer's name or trademark.

- This product may be installed for the following water use(s):
  - a. Cold water distribution piping . . . . Aboveground
  - b. Cold water distribution piping . . . . Underground

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20060317.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.
