The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of June 2018.

This approval supersedes the approval issued on 9/02/2008 under product file number 20080459.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20080459.

This approval is contingent upon compliance with the following stipulation(s):

- This product may only receive waste from recreational vehicles.
- The joints between the tank cover and the inlets and outlet fittings must be made airtight.
- When this tank is installed to receive wastewater from only recreational vehicles, the tank must be installed by either a licensed plumber or a holder of a servicing license issued pursuant to s. 146.20, Wis. Stats., and ch. NR 113, Wis. Admin. Code. All servicing and disposal of the contents from these tanks must be in accord with s. 146.20, Wis. Stats., and ch. NR 113, Wis. Admin. Code.
- This product must be labeled with the manufacturer name and part number in a visible location after installation.
- This product may only be used as a POWTS holding component in campgrounds permitted by the Department of Health Services under ch. DHS 178 or properties where the use of the camping unit transfer container is permitted by an adopted governmental unit ordinance and monitored by the governmental unit.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,
