The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. SPS 382.31 based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of July 2019. This approval supersedes the approval issued on March 20, 2007 under product file number 20070064.

This alternate approval is contingent upon compliance with the following stipulation(s):

- The entire system must be designed and installed in accordance with the 2014 copyright, ProVent Systems Inc. ProVent Guide to Design and Usage manual requirements and recommendations.
- Plans and specifications for the installation of the Provent Single Stack System shall be approved by this department, via the plan review process, prior to each specific installation. If the project is located within the City of Milwaukee, then plans may be submitted to either this department or the City of Milwaukee.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.
