The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of June 2019.

This approval supersedes the approval issued on October 29, 2009 under product file number 20090332.

This approval is contingent upon compliance with the following stipulation(s):

- Approval is issued for this product because the design of the product meets the intent of s. Comm 82.41 (3) (a)1, Wis. Adm. Code that requires potable water supplies protected against contamination due to backflow. The intent of the code is met since this product provides an acceptable means of backflow protection..

Exterior cross connection control is not required because these products contain integral air gaps that exceed the requirements of ASME A112.1.2.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,
