The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an alternate approval to s. SPS 382.30 & 382.31 based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of October 2019.

This alternate approval is contingent upon compliance with the following stipulation(s):

- Written approval for the plumbing plans shall be obtained from this department for each installation of this system. If the project is located within the City of Milwaukee, then plans may be submitted to either this department or the City of Milwaukee.
- The entire system must be designed and installed in accordance with the 2005 copyright "Design Manual No. 101/o SOVENT Single Stack DWV System." The design manual may be accessed via the following link:
