STATEMENT OF SCOPE

Accounting Examining Board

Rule No.: Chapter Accy 2

Relating to: Examination requirements

Rule Type: Permanent

1. Finding/nature of emergency (Emergency Rule only):

N/A

2. Detailed description of the objective of the proposed rule:

The Accounting Examining Board may revise chapter Accy 2 to ensure that examination requirements are consistent with national standards.

3. Description of the existing policies relevant to the rule, new policies proposed to be included in the rule, and an analysis of policy alternatives:

The current rules require applicants to complete all sections of the Uniform CPA Examination within a rolling 18-month period. If all sections are not passed within that rolling 18-month period, regardless of the circumstances, credit for the sections that the applicant did pass is lost, and the applicant must retake and pass all sections of the exam.

National standards related to the length of time applicants have to complete the Uniform CPA Examination have recently changed and the Board has identified the need for an evaluation of the existing code to ensure they are clear and consistent with current standards and practice.

The alternative to this rule revision would be to not revise this code. This may result in Wisconsin being out of step with current national standards and with applicants being unnecessarily delayed in their ability to participate in our state's workforce.

4. Detailed explanation of statutory authority for the rule (including the statutory citation and language):

Section 15.08 (5) (b), Stats., provides an examining board "[s]hall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains. . ."

Section 442.04 (2), Stats., provides that "[t]he examining board shall hold an examination at least once each year at a time and place determined by the examining board."

Section 442.04 (5) (b) 4., Stats., provides the Board may not grant a certificate as a certified public accountant to any person other than a person who "... has successfully passed an examination in such subjects affecting accountancy and business as the examining board considers necessary."

Section 442.04 (5) (d), Stats., provides that "[t]he examining board shall ensure that evaluation procedures and examinations under this subsection... are designed to measure only the ability to perform competently as an accountant."

5. Estimate of amount of time that state employees will spend developing the rule and of other resources necessary to develop the rule:

State employees will spend approximately 40 hours developing the proposed rule.

6. List with description of all entities that may be affected by the proposed rule:

Candidates for Wisconsin certification as a CPA.

7. Summary and preliminary comparison with any existing or proposed federal regulation that is intended to address the activities to be regulated by the proposed rule:

None.

8. Anticipated economic impact of implementing the rule (note if the rule is likely to have a significant economic impact on small businesses):

The proposed rule will have minimal to no economic impact on small businesses and the state's economy as a whole.

Dear Mr. Bishop:

As the National Association of State Boards of Accountancy (NASBA) and state boards of accountancy continue to address challenges related to the CPA pipeline the AICPA, and the largest CPA firms in the United States, support the initiative to reinstate credit to CPA Exam candidates for sections successfully earned during 2020-2023 but lost during the COVID-19 pandemic. We understand the NASBA Board of Directors is recommending state boards of accountancy extend lapsed examination credits to encourage CPA candidates to re-enter their career paths to becoming CPAs, and as key stakeholders within the profession, we strongly encourage state boards to grant this extension.

We support the exam reprieve as a logical and practical move that will encourage qualified CPA candidates to continue their professional journey, while maintaining the high standards of rigor required by passing the CPA Exam. By recognizing the unusual challenges of the recent pandemic, we are enabling future CPAs to come back into the pipeline, while still protecting the public.

The firms represented in this letter encourage state boards of accountancy to take the recommended action to grant reprieve to candidates impacted by the pandemic, and you are welcome to share our support with state boards of accountancy across the country. We commend NASBA and state boards of accountancy for addressing the problem of lost credit in a creative manner that benefits both the public and the CPA profession.

Sincerely,
