Good morning, Executive Director Payne:

[2021 WI Act 71](#) removed the requirement for a consulting physician signature of the athletic trainer treatment protocol form. Per Jameson's recommendations below, I will finalize and post the attached draft, **and** place it on the agenda for Board review at that next meeting (9/22/2021). (A copy of the previous form is also attached for reference.) Please let me know if you would like me to attend the meeting. However, please note, I have a meeting with Deputy Moreland scheduled from 10-11am on 9/22/2021, so would not be available at that time.

Please let me know if you have any questions or concerns.

Thank you.

Kind regards,
Teresa

Subject: RE: Athletic Trainer Treatment Protocol (Form 2517)

Hi Teresa,

Generally, forms belong to the Department, so my understanding is that it is not strictly necessary for the Boards to sign off on them before putting them into use, but this statute says that the Board needs to prescribe the form. That said, I think we can make sensible modifications to the forms in the interim and just put the changes on the next Board agenda for approval. We're still using the prescribed form, just a modified version to keep up with the statute.

So yes, the Board will need to sign off, but I think we can utilize a modified version as you suggest until they do.

Copying Bob in case he disagrees.

Subject: RE: Athletic Trainer Treatment Protocol (Form 2517)

Hello, Jameson:

Two quick follow up questions. . .

Does 448.956(1)(a) still requires a board form?

448.956 (1) (a) A licensee may engage in athletic training only in accordance with an evaluation and treatment protocol that is established by the athletic trainer and approved by the consulting physician in accordance with the rules promulgated under s. 448.9525 (2) and recorded on a protocol form prescribed by the affiliated credentialing board under s. [448.9525 \(1\) \(c\)](#).

If so, an option may be for me update [Form 2517](#) with more general references to [448.956](#) and [AT 4](#), providing a checkbox/signature blank for credential holder acknowledgement of awareness as well as additional space for notations the credential holder wishes to make.

1. If a form is still required and I mock-up such a draft, would the Board need to review?
2. In the interim, could the draft 2517 (attached) be used until a modified form in #1 is Board approved?

Thank you.

Kind regards,
Teresa

Subject: Athletic Trainer Treatment Protocol (Form 2517)

Good morning, Jameson:

I see that you are listed as the code writer for Athletic Trainers. SB 329 and 2012 WI Act 71 removed the definition of consulting physician from statute and the need for the consulting physician to sign off on the treatment protocol (Form 2517). I have attached the form with references to the consulting physician removed. I am not sure about the thrust/purpose of the form as it appears it was originally used as a tool for athletic trainers and their consulting physicians to agree on what activities the athletic trainers could perform.

Could you please look at the attached draft and advise? (In particular, the revised list beginning on Page 1 and the instruction preceding it.)

(I have also attached SB 329 and Act 71 for your convenience.)

Thank you.

Teresa
