Wisconsin Municipalities with Commercial Electrical Delegated Authority – March 22, 2024

This list and the contact information are updated regularly. Contact [Etta Strey](#) if this list contains an error. See the [DSPS website](#) for more information on the Department’s delegation program.

Wisconsin Administrative Code § SPS 316.011(1).

Pursuant to s. [101.86 \(1\)](#), Stats., municipalities may exercise jurisdiction over the inspection of electrical wiring installations at farms, public buildings, places of employment, campgrounds, manufactured home communities, public marinas, piers, docks, or wharves and recreational vehicle parks provided the municipality complies with all of the following:

1. The municipality holds a registration issued by the department as an inspection agency for the purpose of issuing permits and inspecting electrical wiring at farms, public buildings, places of employment, campgrounds, manufactured home communities, public marinas, piers, docks, or wharves and recreational vehicle parks.
2. The municipality notifies the department at least 60 days prior to the date upon which the municipality intends to assume the jurisdiction.
3. The municipality provides the department with a copy of its electrical ordinances and subsequent revisions to the ordinances.
4. The municipality's ordinances adopt this chapter in its entirety.
5. The municipality employs or contracts with certified commercial electrical inspectors or independent inspection agencies to perform electrical inspection activities.
6. The municipality provides the department with the names of its certified commercial electrical inspectors and independent inspection agencies employed or contracted by the municipality, if applicable.

~~~~~  
Delegated Authority for Counties: These counties have been authorized jurisdiction over the inspection of electrical wiring installations in municipalities which do not have their own delegated authority. Municipalities with “N/A” in the Inspection Agency No. column are within the jurisdiction of a delegated county.

~~~~~  
The following table identifies the municipalities that are delegated the primary responsibility to perform commercial electrical permitting and inspecting for all installations under Wis. Admin. Code § SPS 316.012(1)(a). The list includes:

- Each municipality’s Electrical Inspection Agency credential, required by Wis. Admin. Code § SPS 305.629.
- A link to each municipality’s delegated authority approval letter from the Department.
- Municipal and inspector contact information for each municipality. Note the municipality’s delegation is not contingent on the specific individuals identified on this list or in the linked approval letter.

~~~~~  
Contact the municipalities listed below for commercial electrical permitting and inspections. For projects within municipalities not listed below, contact the [inspection agency for your area](#).
