**Comparison with rules in adjacent states:**

**Illinois:** Physician Assistants in Illinois are licensed through the Illinois Department of Financial and Professional Regulation. The Physician Assistant Practice Act of 1987 governs the practice of physician assistants in Illinois and includes statutes on licensure, collaboration, prescribing, continuing education, and grounds for disciplinary action. Part 1350 of the Illinois Administrative Code further details rules for physician assistants in the areas of licensure, collaboration, and prescribing. These sections also detail scope and function, employment, approved programs, and unprofessional conduct [Illinois Administrative Code s. 1350].

**Iowa:** Physician Assistants in Iowa are licensed through the Iowa Department of Public Health and the Board of Physician Assistants. Chapter 148C of the Iowa Code governs the practice of physician assistants in Iowa and includes statutes on licensure and grants administrative rulemaking authority to their Board [Iowa Code ch. 148C].

Chapters 326 through 329 of the Professional Licensure Division Section 645 of the Iowa Administrative Code further details rules for physician assistants in the areas of licensure, practice, continuing education, and discipline. Physician Assistants in Minnesota must either meet the standards for continuing education through current certification by the National Commission on Certification of Physician Assistants or

provide evidence of completion of at least 50 hours of continuing education within the two years preceding renewal [Minnesota Statutes ch. 147A].

The Minnesota Board of Medical Practice has administrative rules which also include requirements for physician assistants including licensure and registration, continuing education, emeritus registrations, professional corporation rules, hearings before the board, and fee splitting [Minnesota Administrative Rules chs. 5600, 5605, 5606, 5610, 5615, and 5620].

  - (c) “Telemedicine” is analogous to and has the same meaning as Telehealth.

CHAPTER PA 4  
UNPROFESSIONAL CONDUCT

**PA 4.01 Unprofessional Conduct.** “Unprofessional conduct” includes, but is not limited to the following, or aiding or abetting the same:

- (1) DISHONESTY AND CHARACTER.** (a) Violating or attempting to violate any provision or term of subch. VIII of ch. 448, Stats., or of any valid rule of the board.
- (b) Violating or attempting to violate any term, provision, or condition of any order of the board.
  - (c) Knowingly engaging in fraud or misrepresentation or dishonesty in applying, for or procuring a physician assistant license, or in connection with applying for or procuring periodic renewal of a physician assistant license, or in otherwise maintaining such licensure.
  - (d) Knowingly giving false, fraudulent, or deceptive testimony while serving as an expert witness.
  - (e) Employing illegal or unethical business practices.
  - (f) Knowingly, negligently, or recklessly making any false statement, written or oral, as a physician assistant which creates an unacceptable risk of harm to a patient, the public, or both.
  - (g) Engaging in any act of fraud, deceit, or misrepresentation, including acts of omission to the board or any person acting on the board's behalf.
  - (h) Obtaining any fee by fraud, deceit or misrepresentation.
  - (i) Directly or indirectly giving or receiving any fee, commission, rebate, or other compensation for professional services not actually and personally rendered, unless allowed by law. This prohibition does not preclude the legal functioning of lawful professional partnerships, corporations, or associations.
  - (j) Engaging in uninvited in-person solicitation of actual or potential patients who, because of their circumstances, may be vulnerable to undue influence.
  - (k) Engaging in false, misleading, or deceptive advertising.
  - (L) Offering, undertaking, or agreeing to treat or cure a disease or condition by a secret means, method, device, or instrumentality; or refusing to divulge to the board upon demand the means, method, device, or instrumentality used in the treatment of a disease or condition.

**(2) DIRECT PATIENT CARE VIOLATIONS.** (a) Practicing or attempting to practice under any license when unable to do so with reasonable skill and safety. A certified copy of an order issued by a court of competent jurisdiction finding that a person is mentally incompetent is conclusive evidence that the physician assistant was, for any period covered by the order, unable to practice with reasonable skill and safety.

- (b) Departing from or failing to conform to the standard of minimally competent practice which creates an unacceptable risk of harm to a patient or the public whether or not the act or omission resulted in actual harm to any person.
- (c) Prescribing, ordering, dispensing, administering, supplying, selling, giving, or obtaining any prescription medication in any manner that is inconsistent with the standard of minimal competence.
- (d) Performing or attempting to perform any procedure on the wrong patient, or at the wrong anatomical site, or performing the wrong procedure on any patient.
- (e) Administering, dispensing, prescribing, supplying, or obtaining controlled substances as defined in s. 961.01 (4), Stats., other than in the course of legitimate professional practice, or as otherwise prohibited by law.
  - 1. Except as otherwise provided by law, a certified copy of a relevant finding, order, or judgement by a state or federal court or agency charged with making legal determinations shall be conclusive evidence of its findings of fact and conclusions of law.
  - 2. A certificate copy of a finding, order, or judgement demonstrating that entry of a guilty plea, nolo contendere plea or deferred adjudication, with or without expungement, of a crime substantially related to the practice of a physician assistant is conclusive evidence of a violation of this paragraph.
- (f) Engaging in sexually explicit conduct, sexual contact, exposure, gratification, or other sexual behavior with or in the presence of a patient, a patient's immediate family, or a person responsible for the patient's welfare.
  - 1. Sexual motivation may be determined from the totality of the circumstances and shall be presumed when the physician assistant has contact with a patient's intimate parts without legitimate medical justification for doing so.
  - 2. For the purpose of this paragraph, an adult receiving treatment shall be considered a patient for 2 years after the termination of professional services.
  - 3. If the person receiving treatment is a child, the person shall be considered a patient for the purposes of this paragraph for 2 years after termination of services or for 2 years after the patient reaches the age of majority, whichever is longer.
- (g) Engaging in any sexual conduct with or in the presence of a patient or former patient who lacks the ability to consent for any reason, including medication or psychological or cognitive disability.

- (h) Engaging in repeated or significant disruptive behavior or interaction with physician assistants, hospital personnel, patients, family members, or others that interferes with patient care or could reasonably be expected to adversely impact the quality of care rendered.
- (i) Knowingly, recklessly, or negligently divulging a privileged communication or other confidential patient health care information except as required or permitted by state or federal law.
- (j) Performing physician assistant services without required informed consent under s. 448.9785, Stats. or PA 3.07.
- (k) Aiding or abetting the practice of an unlicensed, incompetent, or impaired person or allowing another person or organization to use his or her license to practice as a physician assistant. This provision does not prohibit a Wisconsin licensed physician assistant from providing outpatient services ordered by a physician licensed in another state, if the physician who wrote the order saw the patient in the state in which the physician is licensed and the physician who wrote the order remains responsible for the patient.
- (L) Prescribing a controlled substance to oneself as described in s. 961.38 (5), Stats.
- (m) Practicing as a physician assistant in another state or jurisdiction without appropriate licensure. A physician assistant has not violated this paragraph if, after issuing an order for services that complies with the laws of Wisconsin, their patient requests that the services ordered be provided in another state or jurisdiction.
- (n) Patient abandonment occurs when a physician assistant without reasonable justification unilaterally withdraws from a physician assistant-patient relationship by discontinuing a patient's treatment regimen when further treatment is medically indicated and any of the following occur:
  1. The physician assistant fails to give the patient at least 30 days' notice in advance of the date on which the physician assistant's withdrawal becomes effective.
  2. The physician assistant fails to allow for patient access to or transfer of the patient's health record as required by law.
  3. The physician assistant fails to provide for continuity of prescription medications between the notice of intent to withdraw from the physician assistant-patient relationship and the date on which the physician assistant-patient relationship ends, if the prescription medications are necessary to avoid unacceptable risk of harm.

4. The physician assistant fails to provide for continuity of care during the period between the notice of intent to withdraw from the physician assistant-patient relationship and the date on which the physician assistant-patient relationship ends. Nothing in this section shall be interpreted to imposed upon the physician assistant a greater duty to provide continuity care to a patient than otherwise required by law.
- (3) LAW VIOLATIONS, ADVERSE ACTION, AND REQUIRED REPORTS TO THE BOARD.
- (a) Failing, within 30 days to report to the board any final adverse action taken against the licensee's authority to practice by another licensing jurisdiction.
  - (b) Failing, within 30 days, to report the board any adverse action taken by the Drug Enforcement Administration against the licensee's authority to prescribe controlled substances.
  - (c) Failing to comply with state and federal laws regarding access to patient health care records.
  - (d) Failure by a licensee to establish and maintain patient health care records consistent with the requirements of ss. PA 3.05 and 3.06 (4), or as otherwise required by law.
  - (e) Violating the duty to report under s. 448.9795, Stats.
  - (f) After a request by the board, failing to cooperate in a timely manner with the board's investigation of a complaint filed against a licensee. There is a rebuttable presumption that a licensee who takes longer than 30 days to respond to a request of the board has not acted within a timely manner.
  - (g) Failing, within 48 hours of the entry of judgement of conviction of any crime, to provide notice to the department of safety and professional services required under s. SPS 4.09 (2), or failing within 30 days of conviction of any crime, to provide the board with certified copies of the criminal complaint and judgement of conviction.
  - (h) Except as provided under (i), a violation or conviction of any laws or rules of this state, or of any other state, or any federal law or regulation that is substantially related to the practice of a physician assistant.
    1. Except as otherwise provided by law, a certified copy of a relevant decision by a state or federal court or agency charged with determining whether a person has violated a law or rule relevant to this paragraph is conclusive evidence of findings of facts and conclusions of law therein.
    2. The department of safety and professional services has the burden of proving that the circumstances of the crime are substantially related to the practice of a physician assistant.

- (i) Violating or being convicted of any the conduct listed under in Table PA 4.01, any successor statute criminalizing the same conduct, or if in another jurisdiction, any act which, if committed in Wisconsin would constitute a violation of any statute listed in Table PA 4.01:

### CLEARINGHOUSE RULE 22-064

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]**

#### 1. Statutory Authority

Sections 448.975 (5) (a) and 440.09 (5), Stats., should be included in the statutory authority section of the rule analysis and referenced in s. PA 1.01 of the proposed rule.

#### 2. Form, Style and Placement in Administrative Code

a. Throughout the proposed rule, revise the format used for a series of subunits so that all subunits that follow an introduction end in a period instead of a semicolon, without use of the word “and” or “or”. See, for example, ss. PA 2.04 (3), 3.01 (1) (a) and (b), and 3.04 (3) (a). [s. 1.11 (3), Manual.]

b. Additionally, throughout the proposed rule, revise the grammatical structure used for a series of subunits so that each subunit following an introduction completes the idea and results in a complete sentence when read with the introduction. See, for example, ss. PA 2.01, 2.03 (1), 2.05 (2), 3.03 (1), and 3.04 (intro.). [s. 1.11 (2), Manual.]

c. Throughout the proposed rule, revise the format of cross-references to other “PA” administrative rule sections to include the abbreviation “s.” before “PA”. [s. 1.15 (2) (Table), Manual.]

d. Consider merging s. PA 3.01 (1) (b) (intro.) and 1. (intro.). Subdivision 1. is the only subdivision, and it is unclear why that material is separated by a colon. Additionally, the internal reference to “sub. (1) (b)” can be removed or modified depending on how the material is merged.

e. In s. PA 3.08 (8), the format of the reference to “448.975 (2) (a) (3)” should be changed to “448.975 (2) (a) 3.”. [s. 1.10 (1), Manual.]

f. The lowercase term “stats.” as used throughout the rule should be changed to uppercase “Stats.”. [s. 1.15 (2) (b) 1., Manual.]

### **3. Conflict With or Duplication of Existing Rules**

Section PA 3.04 (5) provides that “Physician assistants temporarily practicing without a collaborating physician under sub. (3) of this section shall not practice outside of their education, training, and experience and shall refer patients to another provider when appropriate to the patient’s condition and the standard of care”. However, an inference could be made by this explicit prohibition that it is appropriate for a physician assistant practicing **with** a collaborating physician to “practice outside of their education, training, and experience”. This does not appear to be intended and is at odds with s. 448.975 (1) (a) and (3) (a) 4., Stats., and material related to unprofessional conduct proposed within the rule in s. PA 4.01 (2) (b), which apply to all physician assistants. Consider revising this material or removing it entirely.

### **4. Adequacy of References to Related Statutes, Rules and Forms**

- a. In s. PA 2.04 (4), the phrase “This Subsection” should be revised to “This section”.
- b. In s. PA 3.01 (2), the phrase “under this rule” should be removed. Review the entire rule for other unnecessary references to the rule itself.
- c. Similarly, duplicative references to “of this section” should be removed when referencing other subsections within a section. See, for example, ss. PA 2.01 (3) and (5) and 2.03 (2). [s. 1.15 (2) (Table), Manual.]
- d. Section PA 3.02 provides that “A physician assistant may practice with the supervision and direction of a podiatrist pursuant to s. 448.975 (1) (b) 2., stats. and the rules promulgated under s. 448.695 (4) (b), Stats.”. Should further reference to the actual rules promulgated under s. 448.695 (4) (b), Stats., be made in this rule? For example, it appears ch. Pod 9 addresses podiatrist supervision of a physician assistant, and that administrative code chapter contains further references to requirements found in other statutes and administrative code provisions.
- e. In s. PA 3.08 (1) (intro.) and (2) (intro.), both instances of the phrase “in this subsection” should be changed to “in this section”.
- f. In s. PA 3.08 (5), the phrase “under these rules” should be changed to “in this state” or something similar since licensure is a statutory requirement.

### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

- a. Review the entire rule for missing periods at the end of sentences. See, for example, ss. PA 1.02 (4), 2.04 (3) (b), and 2.05 (2) (a).
- b. Throughout the proposed rule, revise the plural form of words to use the singular form of a word. The plural form of a word is used only when specifically referring to multiples of the word used. See, for example, ss. PA 2.02, 3.03 (2), and 3.04 (5). [s. 1.05 (1) (c), Manual.]
- c. Throughout the proposed rule, each instance of “each applicant”, “each patient”, or “each licensee” should be revised to “an applicant”, “a patient”, and “a licensee”. See, for example, ss. PA 2.03 (1) (intro.) and (3) and 2.04 (1).
- d. Throughout the proposed rule, each instance of “shall not” should be revised to “may not”, “does not”, or “is not”. See, for example, ss. PA 2.05 (1), 3.01 (1) (a), and 3.03 (2). [s. 1.08 (1) (b), Manual.]

e. Section PA 1.02 (3) creates a definition for “DEA”, but that term is not used anywhere in the rule. If not used, the definition should be removed.

f. In s. PA 2.01 (1) (c), it is not clear what the term “verified evidence” requires of an applicant. Is this requirement different from the requirement for “evidence” under s. PA 2.01 (1) (d)? If “verified evidence” is required, who does the verification and how is the verification provided?

g. In s. PA 3.03 (2), the source designation “, Stats.,” should be inserted after the statute citation, and the word “Physician” should not be capitalized.

h. In s. PA 3.08 (1) (c), the word “Telehealth” should be within quotation marks and should not be capitalized. Also, consider including a reference to par. (b).

i. In s. PA 4.01 (intro.), remove the phrase “, but is not limited to”. [s. 1.07 (3) (b) 2., Manual.]
