

## **Military Pathways Grant Questions & Answers**

Q: What is meant by a “documented Technical Assistance Relationship with at least one military service component”?

A: DSPS is seeking grant proposals from entities who understand the needs of transitioning service members and currently serving Reservists and Wisconsin National Guard Airmen and Soldiers. A technical assistance relationship would be a point of contact in a military service who can help guide decision-making to ensure the maximum impact for those served by execution of this grant.

Q: Is there a maximum number of grants?

A: No.

Q: Does this grant only cover pathways for certain professions?

A: Yes, profession must be an occupation licensed by DSPS.
