3. **Official Transcripts** - Transcripts must be forwarded directly by the college to you. If you attended more than one school and transfer credits appear on the transcript from the school where the degree was received, it is not necessary to provide a transcript from the first school(s). **Unofficial copies of transcripts are not acceptable.**

Reciprocity Applicants (applicant holding an unexpired registration from another state)

An applicant may apply for registration if he or she holds an unexpired registration in another state in which registration requirements are not lower than those in Wisconsin. The applicant must have passed the exams. Applicants may apply using a CLARB record or application by examination.

If Applying by CLARB Record - If you are using a CLARB record, complete and return only the Application for Landscape Architect Registration (**Form #2088**), proof of CE/PDH per Wis. Admin. Code § A-E 11.08 and fee. Indicate on your application that you are requesting CLARB to forward your council record to DSPS.

Temporary Permit - A temporary permit is available to all applicants under the **Reciprocity** provision. This permit allows the applicant to proceed with a pending project during the time it takes to process the application for registration. An applicant desiring a permit must include a letter specifically requesting the permit, which includes a description of the project (location, approximate size and cost), a copy of their registration card from the original state of registration and an \$55.00 temporary permit fee. The Application for Landscape Architect Registration (**Form #2088**) and the \$55.00 initial credential fee must accompany the request for a temporary permit.

Review Dates - Your application for registration will be presented to the Board for review when all required documents have been received. You are encouraged to submit your application as soon as possible to allow processing and review of application before the Board meets.
