### **APPLICATION INSTRUCTIONS FOR INITIAL CREDENTIAL FEE REDUCTION**

### **General Information**

Per Wis. Stat. § 440.052(2) an applicant for an initial credential may apply for a reduction of the initial credential fee that is equal to 10% of the initial fee. Qualification is based on the federal adjusted gross income being at or below 180% of the federal poverty guideline prescribed for the applicant's family household size by the United States Department of Health and Human Services (DHHS). The fee reduction **only** applies to the initial credentialing fee; other fees including, but not limited to exam fees, etc., are not eligible for a reduced fee.

#### EXAMPLE

\$ 60.00 Initial Credential Fee initial credential fee – eligible for fee reduction – reduced fee = \$6.00 (10%)
\$ 75.00 WI Statutes and Rules Exam Fee exam fee – not eligible for fee reduction = \$75.00

All fees are due at the time of application. A fee reduction application is subject to approval by the Department of Safety and Professional Services (DSPS). **This form <u>must</u> accompany your application for licensure;** failure to do so will result in denial of a fee reduction. To determine eligibility please visit the United States Department of Health and Human Services website at <u>https://aspe.hhs.gov/poverty-guidelines</u>, prior to submitting this application. If, after reviewing the information on the above website, you believe that you are eligible for an initial credential fee reduction, please submit payment with the application for the credential for which you are applying that is equal to 10% of the initial credential fee listed on the application for that credential. Eligibility will be verified with the Wisconsin Department of Revenue (DOR) and you may be required to submit documentation to provide proof of income.

**PLEASE NOTE:** If you submit payment that is equal to 10% of the initial credential fee and it is later determined to not be eligible for a fee reduction you will be required to submit the remainder of the initial credential fee. A credential will not be granted until all requirements for licensure have been met, including payment of any fees.
