MEDICAL EXAMINING BOARD

CHANGE IN SUPERVISING PHYSICIAN OR PODIATRIST

Med 8.07(1) Practice. (1) Scope and Limitations. In providing medical care, the entire practice of any physician assistant shall be under the supervision of one or more licensed physicians, physicians exempt from licensure requirements pursuant to s.448.03 (2) (b), Stats., or licensed podiatrists.

Med 8.05(4) Licensure; Renewal. At the time of licensure and each biennial registration of licensure thereafter, a physician assistant shall list with the board the name and address of the supervising physician or podiatrist and shall notify the board within 20 days of any change of a supervising physician or podiatrist.

Med 8.02 (6) "Supervision". means to coordinate, direct, and inspect the accomplishments of another, or oversee with powers of direction and decision the implementation of one's own or another's intention.

Med 8.10 Physician or Podiatrist to Physician Assistant Ratio. (1) No physician or podiatrist may supervise more than 4 on-duty physician assistants at any time unless a written plan to do so has been submitted to and approved by the board. Nothing herein shall limit the number of physician assistants for whom a physician or podiatrist may provide supervision over time. A physician assistant may be supervised by more than one physician or podiatrist while on duty. (2) A supervising physician or podiatrist shall be available to the physician assistant at all times for consultation either in person or within 15 minutes of contact by telecommunication or other means.

Med 10.02 (1) "Adequate supervision". means a physician should be competent to perform the delegated medical act, and must have reasonable evidence that the supervised individual is minimally competent to perform the act under the circumstances.

Complete the following and return to the Medical Examining Board at the address listed below.
