PART I - DOCUMENTATION OF CLINICAL FIELD PLACEMENT: (as part of Master’s or Doctoral program)

Clinical Field Training per Wis. Admin. Code § MPSW 2.01(7)

“Clinical Field Training” means a minimum of one academic year in the supervised practice of clinical social work services consisting of assessment; diagnosis; treatment, including psychotherapy and counseling, client-centered advocacy, consultation, and evaluation. “Clinical Field Training” does not include indirect social work service, administrative, research, or other practice emphasis as per Wis. Admin. Code § MPSW 2.01(7).

Supervised Clinical Field Training per Wis. Admin. Code § MPSW 2.01(17)

“Supervised Clinical Field Training” means training in a primary clinical setting, which must include at least 2 semesters of field placement where more than 50% of the practice is to assess and treat interpersonal and intrapsychic issues in direct contact with individuals, families, or small groups as per Wis. Admin. Code § MPSW 2.01(17).

Primary Clinical Setting per Wis. Admin. Code MPSW § 2.01(13)

“Primary Clinical Setting” means a Facility, or a unit within a Facility, whose primary purpose is to treat persons with a DSM diagnosis as per Wis. Admin. Code § MPSW 2.01(13).

Note: If you completed 2 semesters of field placement to meet this requirement and the placements were in different settings, a separate form must be submitted for each placement.
