DIVISION OF PROFESSIONAL CREDENTIAL PROCESSING

INFORMATION FOR COMPLETING WISCONSIN MANUFACTURED HOME CERTIFICATE OF TITLE APPLICATION

SECTION A – BUYER(S)/NEW OWNER INFORMATION: Use this section to provide information about the Buyer(s)/New Owner(s) to appear on the title.

Co-Buyer/New Owner: If there is a co-owner they should be designated “AND” or “OR.”

- “And” means all owners must sign the new title to transfer ownership in the future
- “Or” means only one owner must sign the new title to transfer ownership in the future.

To add more than one co-owner/new buyer, attach a separate sheet of paper. Remember all co-buyer(s)/new co-owner(s) must sign.

Buyer(s) / New Owner(s) Mailing Address - The address that you provide in this section will be the only address that will appear on the title. Also, this will be the address to which we will mail the title, unless you complete and include **Form #10883** stating otherwise.

SECTION B – MANUFACTURED HOME INFORMATION:

Enter all information about the manufactured home, as stated on the seller’s title or certificate of origin. If you are requesting a replacement title, please provide the information to the best of your knowledge.

SECTION C – LOAN INFORMATION:

If you do not have a loan on this home, simply check “None.”

If you borrowed money for this home, contact the lender for the correct information and complete mailing address.

SECTION D – FEES AND TRANSACTION TYPE: In this section, you indicate what you are requesting and calculate the appropriate fees. These instructions also indicate if you will need additional forms.

If you are buying the home new, previously owned, or requesting a title when you have never had one, the fee is \$23.00.

- If you are buying the home new, then submit the Certificate of Origin, signed by the dealer.
- If you are buying the home used, then submit the seller’s Certificate of Title, signed by the seller(s), as required.
 - If the seller’s title has a lien less than 20 years old, then you must obtain and submit a Lien Release.
 - If the seller is a probate estate, the personal representative should sign the title. Please also submit a Domiciliary Letter.
- If you do not have a title and have never had a title, complete and submit Form #10688, Indemnity Form.
- If the seller or buyer is a trust, submit form SBD-10700, Trustee Statement.
- If someone is signing as power of attorney for either the buyer or seller, then attach POA documentation.

Please Note: If you pay a fast service fee (\$15.00), this fee **does not** include overnight service back to you, unless you have provided a prepaid overnight envelope, along with your application.

Replacement: If you previously had a title and lost it, then you may request a replacement title for a fee of \$8.00. The issuance of a replacement title will void your prior title.

Liens: You must submit a \$4.00 fee for every secure party shown in Section C.

Salvage or Flood Damage Title: (NO FEE) - A Wisconsin salvage title is for a manufactured home that does not meet the definition of “Junk” and is damaged by collision, flood damage, or other occurrence to the extent that the estimated or actual cost, (**whichever is greater**), or repairing the manufactured home exceeds 70% of its fair market value. “Junked” means dismantled for parts or scrapped. It is also for a manufactured home, which was last titled in another state as a salvage home. Please write in “Junked” or “Salvaged” on title and mail to our office.

SECTION E - LICENSED DEALER’S STATEMENT OF SALE AND WARRANTY (This section is **only** for licensed dealers.)

If the sale is a “Courtesey Delivery” or a “Consigned Manufactured Home”, write this in the Dealer Number space.

Sales Tax: The Dealer signature also serves as evidence that the appropriate sales taxes have been collected and forwarded to the Department of Revenue. Please Note: The amount subject to sales tax for new homes is 65% of the full purchase price of home described in Section B. **No sales tax is owed for used homes.**

Wisconsin Department of Revenue (DOR) Seller’s Permit Number: Dealers that sell new homes are required to have a seller’s permit number issued through DOR. Dealers that sell only used homes need not have the permit number. Enter “sell only used homes” in this line.

Out-of-state dealers must contact the Manufactured Home Unit at 608-266-2112 (option 3) for additional instructions.

SECTION F – BUYER/NEW OWNERS’ SIGNATURES: All buyer(s)/new owners and co-buyer(s)/new co-owners shown in Section A (or on attachments) must sign. If the seller signature block on the Certificate of Title is dated one (1) month prior to the date in the signature block in Section F of this form, staff will need to verify consent to sell/transfer title with all seller(s) listed as Registered Owners on the original Certificate of Title PRIOR to issuance of a new Certificate of Title. Please note this may cause a delay in new title issuance.
