POWTS UPDATES ONLINE

Click on the “Register Online NOW” button or go to www.bookwhen.com/wipowts to get registered. Each session is limited to 75 people.

When registering, click on the session you are registering for on the left. (Be sure it is the correct one!) Click “View Details”. Scroll down and click “Select” and then “View Selections” and then “Book Now”. Only one ticket is allowed per entry, so if you have multiple employees, you will need to enter each one separately.

1 hour of continuing education credits are approved for MP, MPRS, JP, JPRS, CST, POWTS Inspector and POWTS Maintainer for each session. **You cannot get more than 1 hour of credit for the same topic.**

The Wisconsin Department of Safety and Professional Services is providing 3 - 1 hour continuing education sessions ONLINE. These sessions will be presented by DSPS Wastewater Specialists and POWTS Plan Reviewers. There is no cost to attend, but you must register at least one week before the class. You will be emailed a link to the Zoom meeting once you register. Class size is limited so register early! You can only get one hour of continuing education for each topic, so don't attend more than one session of the same topic.
